

To the Legislative Assembly of Alberta, in Legislature Assembled:

We, the undersigned residents of Alberta, hereby petition the Legislative Assembly to urge the Government of Alberta to:

1. Ensure that the remuneration paid to employees working with people with disabilities is standardized across the sector, regardless of whether these workers are employed by government or by community-based or private providers;
2. Ensure these employees are fairly compensated and that their wages remain competitive with other sectors to reflect the valuable and crucial service they provide;
3. Improve employees' access to professional development opportunities (training and upgrading); and
4. Introduce province-wide service and outcomes-focused level-of-care standards.
